Explanation of Services

The workers at this pregnancy help center are volunteers who have received training in pregnancy consultation. These volunteers, for the most part, do not have a degree in counseling, nor are they licensed by the state. The assistance provided here is not intended as a substitute for professional counseling. We offer information, emotional and spiritual support, and practical help. New and used baby items received here are for the benefit of the client and family. New Day Pregnancy Care Center cannot be held responsible for any defects or inappropriate use.

I understand the above paragraph and give my permission for these services.
