Woman to Woman

We're looking for caring women who want to put their faith to work doing something that matters. Our center offers practical assistance to women who really need help — and we need your help to help them.

A Few Good Men

Our center is doing great things and seeing hundreds of families a year! However, business still needs to be done and we need men to serve on the board and help coordinate our efforts so we can reach more people.

A Sound Investment

There is no better investment than in the souls of others. Your gifts to this ministry touch mothers, fathers and babies with the message of LIFE through Christ. Support this ministry with your gifts.

Get Involved

If you would like to be a part of this vibrant ministry serving our Lord, contact us using the information on the back. We are looking to reach more people with the message of salvation through Christ in Christian love — can you help us?

"In your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope you have. But do this with gentleness and respect." 1 Peter 3:15
