VALUE THE GIFT – Almost everyone calls life “a gift”, but far too often, far too many people (even Christians!), treat that gift as something of little worth, perhaps even to be thrown away. But Scripture teaches us that every human is “fearfully and wonderfully made” by the Lord and that he valued each of us enough to send his Son to redeem us. So we want to be sure to value the gift of life at all times and in every situation – even when it’s costly or inconvenient.

Join us, then, for an exciting, informative, and inspiring day of learning again – for our own thoughts and decision-making, and to influence others’ – how to **VALUE THE GIFT** of life from beginning to end, today and tomorrow.
